Welcome to yet another exciting season in the continuing tradition of the Concordia Stingers men's and women's teams.

The Stingers have achieved prominent successes in the past, and I know our athletes will continue to represent Concordia well in the future. They have demonstrated a willingness to work hard and aim high.

A university education provides more than knowledge and skills in the discipline of your choice. Along with the formal classes, seminars and laboratories, the university experience includes the informal intellectual, social, athletic and cultural encounters that deepen and enrich your understanding of yourself and what you wish to contribute to society.

Intercollegiate sports are an important part of the Concordia experience. Our teams are competitive and continue to be a source of pride to the entire University community. They deserve our full support and loyalty.

Enjoy the games and join me in encouraging the Stingers during the upcoming season.

Harry Zarins
Director of Recreation & Athletics

Harry Zarins

On behalf of the Department of Recreation and Athletics, I would like to welcome you to one of the great traditions of Concordia University. Welcome to the 1997-'98 intercollegiate sports season.

It's a very exciting time for the varsity athletes and their supporters. The Campaign for a New Millennium is under way, and the prospect of new and improved athletic and recreation facilities has given everyone a renewed sense of enthusiasm. The strong show of support from the entire University community is much appreciated. What a way to start our seasons, knowing there's so many people who recognize the importance of having goals and dreams and pursuing them.

I would like to offer my heartfelt thanks to all the people whose support helps keep the Stingers on the leading edge of Canadian university sports. Our student-athletes would not be able to reach such a high level of excellence without the support of sponsors, alumni, fans, friends and family.

I urge you to join me in cheering the Stingers on to great success. I hope to see you often.

Welcome to Concordia University

With approximately 25,000 students (of which 13,157 study full-time), 3,000 faculty and staff members, and more than 80,000 alumni worldwide, Concordia University is one of Canada's largest and most dynamic institutions of higher learning.

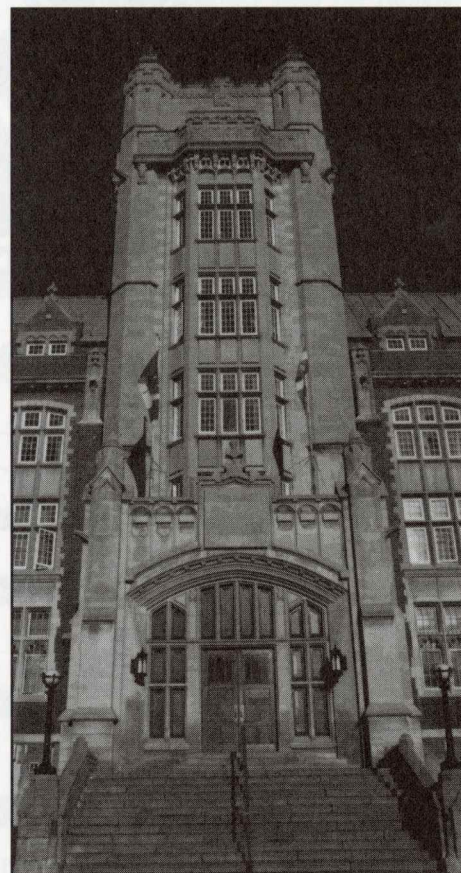

From its founding institutions – Loyola College (1896) and Sir George Williams University (1873) – Concordia has inherited a tradition of superior teaching supported by the best possible scholarship, creative activity, research and service to society. The merger of the two institutions took place in 1974.

The university has two campuses: Sir George Williams, which has approximately 42 buildings spread over 13 blocks of downtown Montreal; and Loyola, which sits seven kilometres away on 46 acres in picturesque west-

end Montreal. The latter has 37 buildings. There is a free shuttle-bus service which runs between the two campuses.

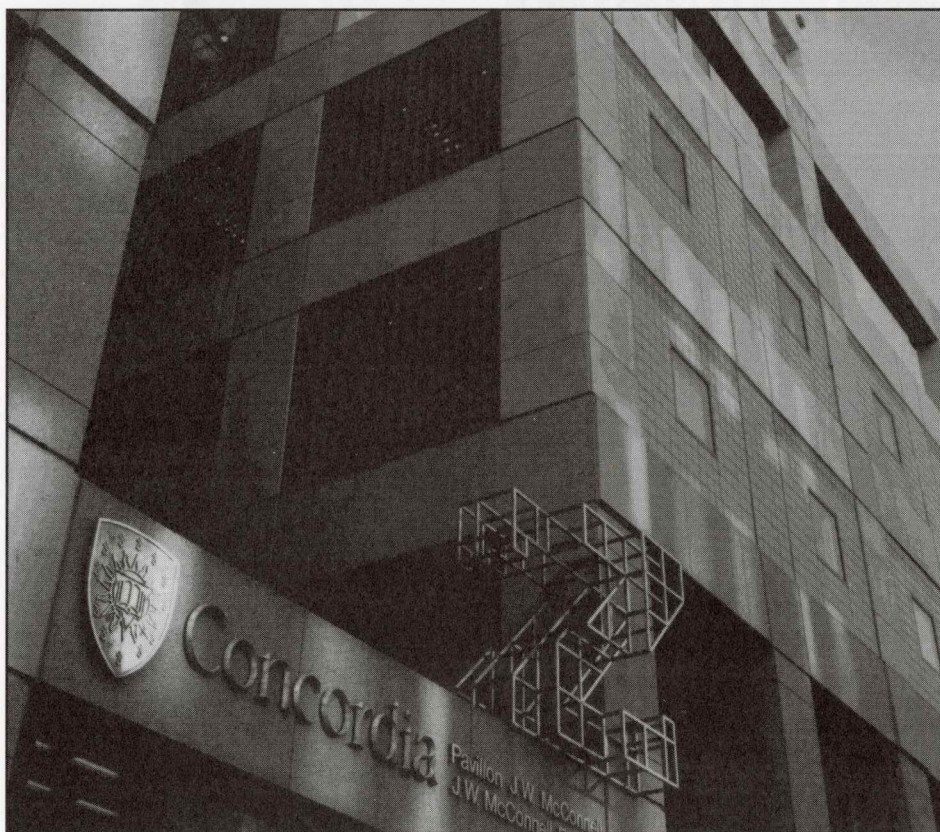

Academic offerings are grouped into four undergraduate faculties: commerce and administration, fine arts, engineering and computer science, and arts and science, covering a total of 180 subject areas. In addition, the School of Graduate Studies offers as many as 61 programs leading to master's and doctoral degrees or graduate diplomas.

Whether you are looking for a highly structured program in a particular field or for the flexibility of interdisciplinary studies, you will find them at Concordia. We have a long tradition of giving students the opportunity to plan programs to suit their needs. In doing so, we have created some of the most innovative educational thinking in the university milieu today.

Concordia University also provides students with programs and services to enhance their academic achievement and promote their personal development as responsible, well-rounded individuals. Student Services recognizes that all development, both intellectual and personal, is affected by a number of circumstances: financial, cultural, physical, ethical and psychological. A wide range of activities and services helps students to cope with challenges in these and other areas. The overall aim of all programs is to ensure that students can make the most of their university experience.

For information on admissions at Concordia call (514) 848-2668. To find out more about playing varsity sports with the Stingers call (514) 848-3862.

Best Of Luck STINGERS For 1997-98

Passing game earns Stingers top marks

They should hand out degrees to the quarterbacks, receivers and running backs who graduate from Concordia's football program. As they march across the stage at their convocation ceremonies each June, they should collect a B.Pass degree along with their BAs and B.Comms.

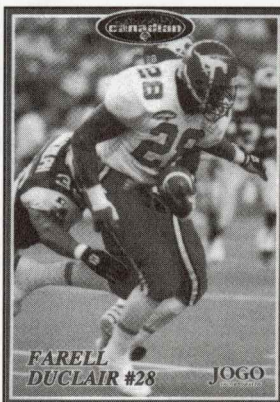

Under the careful tutelage of co-ordinator Gerry McGrath, who took over the offence in 1992, Concordia has emerged as the premier university for developing skilled-position players on offence. Athletes who have a strong work ethic and who spend four or five years studying with McGrath emerge from the program with a good knowledge of a very complex and elite offensive system. In short, it's quite an achievement, one that only the best athletes and students of the game can master.

McGrath runs a West Coast offence. It's a system professional teams run a lot, but it's rare at the university level.

"What makes it unique is that we spend more time with receivers and quarterbacks reading defensive coverage and techniques," said McGrath. "Some schools may touch on it and spend some time on it, but we emphasize it and work on it daily."

The emphasis on the pass, all its intricacies and the challenges that go along with a professional-style offensive system attract a lot of the top high school, CEGEP and junior football recruits.

"Every quarterback likes to pass and wants to go to the best passing school. That's why I chose Concordia," said Jon Kronmeyer, a Niagara Falls, Ont., native and one of the top-rated quarterback recruits available this season. "I

Farell Duclair's CFL football card.

chose the team with the most sophisticated offence, that passes the most and with the best players. It wasn't a difficult choice, it was Concordia all the way."

Kronmeyer will face some big challenges this season, but like many of his predecessors he will find it rewarding. Wide receiver Sylvain Girard, one of McGrath's star pupils, found the offensive system tough at first, but in the 1996 season he did well with it. Last October, he was awarded the Homecoming Cup, which is presented annually to the outstanding Concordia player in the Homecoming Game.

"My first year I was lost," admitted the third-year Exercise Science major. "I had to read a defence which was something I had never done before. I have three options on every play we run, I really have to know the defence. Right now, I'm still learning, but I'm confident. I just have to look at André Bolduc and Denis Montana."

Three Stingers from McGrath's Class of '95 went on to play professional football. Bolduc, a slotback, signed as a free

agent with the CFL's Ottawa Rough Riders and has since been picked up by the Edmonton Eskimos. Montana signed a free agent contract with the Houston Oilers of the NFL and was drafted in the first round by the Montreal Alouettes. He is currently suiting up with the Als. Finally, fullback Farell Duclair is in his second year with the Calgary Stampeders. He too was drafted in the first round.

McGrath also schools his running backs. They have to read defences and catch balls. Last season, tailback Evan Davis Jr. had one of the best games in the Ontario-Quebec Interuniversity Football Conference. Playing against the Queen's Golden Gaels, he caught 10 passes for 86 yards.

"Our running backs are a very integral part of our receiving game," McGrath said.

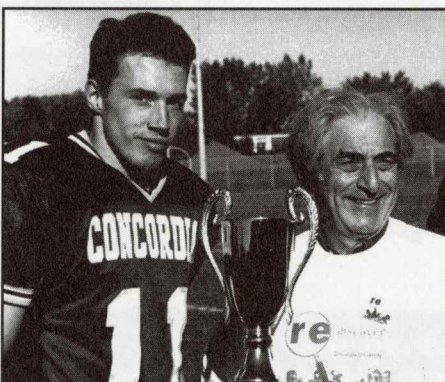

Another integral component of the system is receiver coach Pat Gregory, who was a two-time All-Canadian receiver at Bishop's University in the early '90s.

"Pat's a good teacher," McGrath said. "He's very knowledgeable. He's a stickler for detail. He works very hard with our receivers on mechanics and techniques. He gets the best out of our players."

McGrath and head coach Pat Sheahan travel extensively in the off-season, looking for the best skilled-position players. One question they get asked frequently is, "If I chose to come to Concordia and learn your offence, what will I get out of it?"

"When an athlete leaves here, he will know how to run a route against any coverage, have a great understanding of defensive coverage and be prepared to go to the next level," McGrath said.

And even if the university doesn't give out degrees for completing work with the Stingers, everyone in the football community will know that he graduated from the top passing program in Canadian university football.

Sylvain Girard receives Homecoming Cup from Rector and Vice-Chancellor Dr. Frederick Lowy.

1997 Concordia Coaching Staff

Pat Sheahan
Head Coach,
Concordia Stingers

Patrick Sheahan

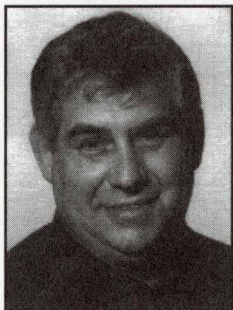

I would like to welcome all the Stinger football fans back to Concordia Stadium for another exciting year of intercollegiate football. We have a great young group of athletes wearing maroon, white and gold this year. The coaches and I have worked hard to prepare them for the road ahead. I'm sure they will provide all our supporters with some very entertaining football in the fall of '97.

This team is young but has a solid nucleus of athletes who have a strong will to win. Look for us to be tough to beat by the end of the season. I'm happy to know that we can count on your support this year. The ambiance in this stadium on game day is second to none in this part of the country. I thank you for your devotion in the past and I promise to give you something to cheer about in the weeks ahead.

Pat Sheahan enters his ninth year as head coach of the Stingers with a 41-35-1 win-loss-tie record and an Ontario-Quebec Interuniversity Football Conference championship to his credit. Sheahan's coaching career began in 1978 at Loyola High School in Montreal. He eventually hooked up with the Montreal Junior Concordes of the Ontario Football Conference and helped guide the team to a berth in the Little Grey Cup in 1982. The Brockville, Ont., native spent five years as associate head coach with the McGill Redmen. He was instrumental in helping the team win the 1987 national championship. During the summer months, Sheahan runs Concordia's Summer Sports Camp for children ages five to 13.

PETER REGIMBALD

Specialty teams/linebackers

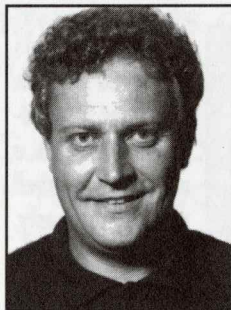

The senior member of the Concordia coaching staff, Peter Regimbald begins his 21st season with the university. A former wide receiver with the

Montreal Alouettes, Regimbald played college football at St. Francis Xavier. His university coaching career began in 1970 at Loyola College where he helped lead the Warriors to three league titles in the 1970s. He has also coached at Vanier College. In November of 1996, he was presented with the Gino Fracas Award, which is presented annually to Canada's Volunteer Coach of the Year. Regimbald's son Scott, also a great receiver, earned a football scholarship from the University of Houston Cougars in 1996.

GERRY McGRATH

Offensive co-ordinator/quarterbacks

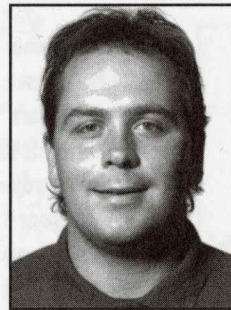

In his years as a CFL kicker with the Montreal Concordes and the Saskatchewan Roughriders and later as a coach, Gerry McGrath

proved to be an ardent student of the game. His innovations as a coach at the Quebec junior and semi-professional levels have heavily influenced the game in this province. He is frequently sought out as a guest speaker at clinics and a coach at camps, both for his extensive knowledge and his ability to put a lot of fun into the game of football. Under his tutelage, Concordia's passing game has developed into the most innovative and effective in the nation. McGrath has co-ordinated the Stingers' offence since 1992.

PAUL CHESSE

Defensive co-ordinator/defensive line

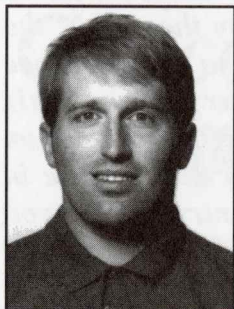

Paul Chesser joined the Concordia coaching staff in 1994 after completing a distinguished five-year playing career with the Stingers. In his

final season, the awards were many for the defensive end. He won the John Metras Trophy, which is awarded annually to the outstanding lineman in Canadian university football. He is the only Stinger to ever win a major award at the national level. In 1993, Chesser was a unanimous choice for the O-QIFC all-star team and a first-team All-Canadian. After three years of working with the line and linebackers, this is his first season as defensive co-ordinator. Last summer, Chesser also worked with Quebec's provincial under-19 program.

1997 Concordia Coaching Staff

PAT GREGORY

Receivers

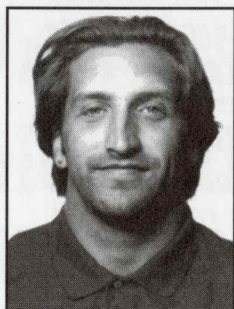

Pat Gregory now begins his third season as a valued member of the Stingers' coaching staff. Three of his receivers have been drafted or signed by CFL

teams and several others are set to follow in their footsteps. As a player, Gregory established himself as one of the premier wide receivers in the country with the Bishop's Gaiters from 1988-'91. His last two seasons as a player, he earned All-Canadian honors. Since leaving the playing field, Gregory has proved to be one of the best young coaches in the province. He was the receiver coach with the CEGEP St. Jean Geants and has also worked with the highly successful provincial 19-and-under team.

LUC PELLAND

Linebackers

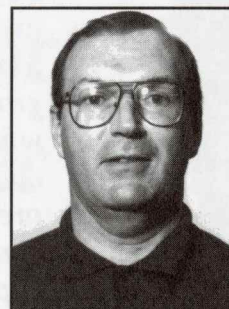

Luc Pelland joined the coaching staff in 1995 after wrapping up a remarkable five-year career as a linebacker with the Stingers. During 1994,

which was his final season in uniform, he was a league all-star, an All-Canadian and the O-QLFC's nominee for the President's Trophy, which is awarded to the outstanding defensive player in Canadian university football. The last two winters he has travelled to Thonon, France, where he enjoyed his first experience as a head coach. He was at the helm of the Black Panthers, a Division I club. Under his direction, the Black Panthers went from a mediocre team to one of the top teams in France.

BRYAN CARROLL

Offensive line

Bryan Carroll has one of the most interesting football backgrounds on the Concordia staff. He started out losing game after game in the North Shore atom

(7-9 year olds) ranks, before finding the winning touch with a provincial championship at the peewee (12 and 13 year olds) level. After that there was no stopping him. He enjoyed great success at the bantam and semi-professional levels. He has been asked on several occasions to be a guest coach at the Notre Dame Fighting Irish's spring and summer camps, where he worked alongside CFL legend Tom Clemens. This is Carroll's fifth season working with the Stingers' offensive line.

BRYAN VAJDA

Offensive line

Bryan Vajda, now in his fifth season with the Stingers' coaching staff, is a former Concordia offensive guard and part of a long line of outstanding linemen the

Stingers have produced. He played four years for Concordia from 1986-'89. He was a Stinger captain and an All-Canadian at left guard in his final year. Before suiting up for Concordia, he was a standout at Vanier College and with Montreal's famous Sun Youth Hornets minor football program. Gridiron smarts and talent seem to run in the family, coach Vajda's brother Paul, another former Concordia star at offensive guard, played six seasons with the Saskatchewan Roughriders in the CFL.

LEO GERVAIS

Running backs

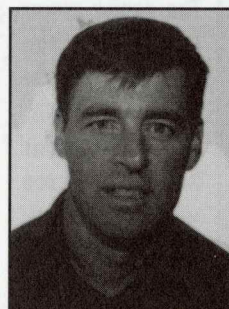

Leo Gervais returns to his alma mater for his inaugural season as a university football coach. Previously, he co-ordinated the offence with the St. Hubert

Rebelles, who went undefeated in 1990 and '91 with Gervais at the helm, and the Greenfield Park Packers, both respected junior clubs in Quebec. Before hanging up his cleats, Gervais was a running back with the Stingers in the late 1980s. He also wore the black and silver of the Châteauguay Raiders of the Quebec junior league during their heydays when they were considered one of the best and most aggressive teams ever to prowls the gridiron. Gervais went on to graduate from Concordia's prestigious journalism program.

TONY PROUDFOOT

Defensive backs

Tony Proudfoot is the newest addition to the Concordia football coaching staff. To help prepare himself, he was a guest coach at the Montreal

Alouettes training camp over the summer. It was only natural that Proudfoot team up with the Als, after all he played 10 years - 1970 to '79 - as a defensive back with the Alouettes. He was a two-time Eastern Division all-star in '77 and '79. He played in five Grey Cup games with the Als, winning two championships in '74 and '77. During his playing days, Proudfoot was highly respected for his intensity and intelligence. Previously, Proudfoot was a coach with Lower Canada College, a Montreal high school.

There's a feeling that best describes the affinity most people have for their teams and their schools.

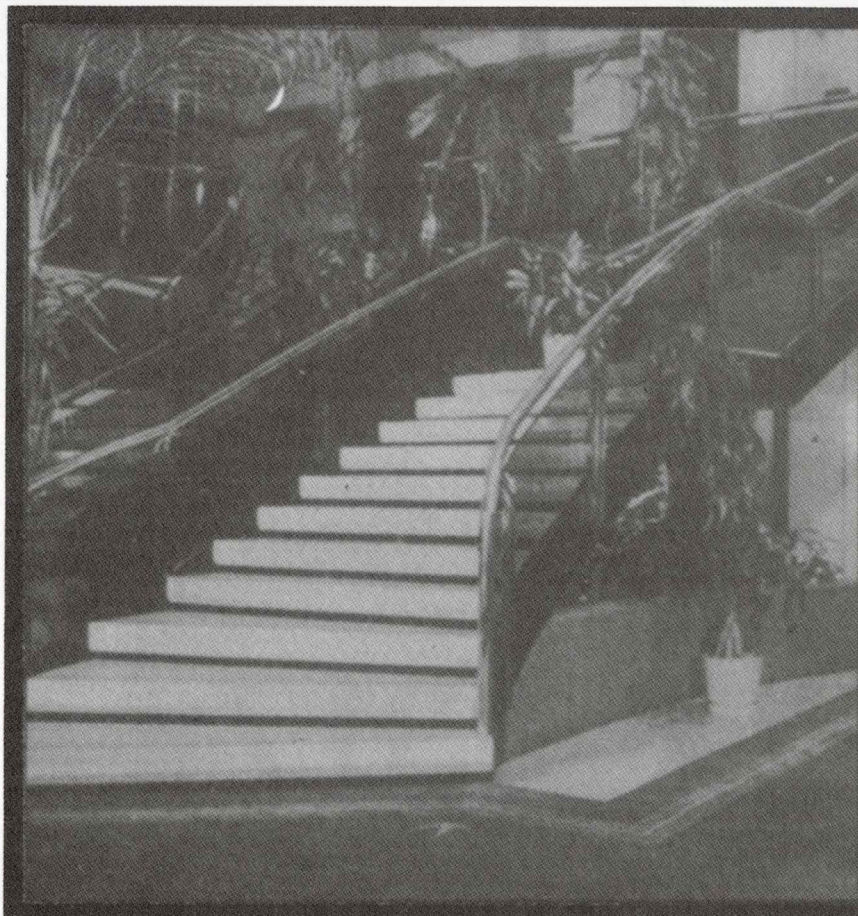

Call it team loyalty.

Call it school spirit.

Or call it, simply, pride.

Our company is in the business of helping teams display these feelings better than anyone.

CIAU's fastest man ready to tackle the gridiron

Lenroy Henry at the 1996 CIAU championships.

For years Lenroy Henry has devoted himself to speed, and it's served him well. He's travelled extensively, representing both Canada and Quebec, he has armfuls of track and field medals and he can say he's lined up against the best – Bruny Surin, Atlee Mahorn, Desai Williams.

His accomplishments include being ranked No. 6 in Canada in the 200 metres in both 1990 and '91, winning a silver medal with Team Quebec in the 4x100 relay before 50,000 spectators at Canada Games in '93 and, most recently, he was crowned the fastest man in the Canadian Interuniversity Athletic Union. At the national championship in Windsor, Ont., last March, he recorded a personal best time of 6.86 in the 60-metre final and brought home the gold medal.

"Before I came to Concordia I knew I wanted to win the gold medal," Henry said. "Whatever it took to get me there, I wanted the gold."

Now Henry has a new set of goals and different priorities. He's going into his third year as a defensive back with the Concordia Stingers football team, and it's time for him to take his game up a level.

"He's always been a great track athlete," said head coach Pat Sheahan. "He's playing a position where speed and athleticism are paramount. If he can apply his speed to his position, he has the potential to cover anybody."

Before coming to Concordia in '95, Henry had played just five games of football and that was so long ago, he can't remember the year. In his first two years with the Stingers, his speed and work ethic earned him spots as a backup cornerback and on special teams. This season his goal is to be the starting cornerback.

To meet his new objective some big sacrifices were made. As the reigning CIAU 60-metre champion, Henry had the opportunity to represent Canada at the World University Games in Sicily, Italy, this past August. But the Games conflicted with football.

"Football has been taking over my priorities," Henry said. "There was stuff I had to stay here and work on like my back-pedal. I would've missed training camp and two games because from Sicily I would've gone to Africa to compete in the Francophone Games in Madagascar.

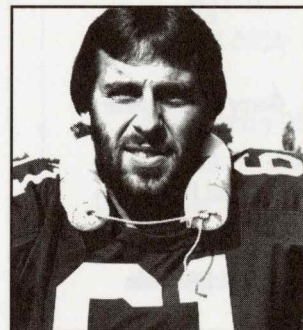

"I don't want to just play football, I want to start. I knew I couldn't miss that much and be a starter."

Coach Sheahan knew the decision wasn't easy for Henry but he's pleased with the result.

"That affirmed to me his commitment to being a great football player," Sheahan said.

Earning a starting position is Henry's main goal, but he has a couple of others that are rather interesting, too. At the moment, he's not the fastest football player to ever wear the Stinger colors. In 1994, cornerback Mark Montreuil recorded a 4.29 40-metre time in training camp, which is the Concordia record. Montreuil currently plays in the NFL with the San Diego Chargers. Henry wants to beat Montreuil's time. He also wants to put together a 4x200-metre relay team made up of Stinger football players and he wants them to compete for the gold at the national championship.

Stinger Football Trivia Quiz

1. Name the Stinger pictured above.
2. Which two Stingers hold the Canadian Interuniversity Athletic Union (CIAU) record for the longest pass-and-run play?
3. Name the last Hec Crighton Trophy (outstanding university football player in Canada) nominee from the Concordia Stingers?
4. How many members of the 1997 Concordia Stinger coaching staff were CIAU All-Canadians?
5. Who is the all-time Ontario-Quebec Interuniversity Football Conference interception leader?
6. Which Loyola Warrior led the Edmonton Eskimos in interceptions in 1965?
7. Which Loyola football alumni is currently in the Football Hall of Fame in Canton, Ohio? Hint: He's famous for inventing Moose Hoofs.
8. In 1962, the Loyola Warriors defeated the Carleton Ravens to win the Ottawa-St. Lawrence Conference championship. Which two Warriors each scored two touchdowns in the dramatic come-from-behind victory?
9. A member of the Loyola Warriors went on to play five years in the CFL, including 1971 when he suited up for the Grey Cup champion Calgary Stampeders. Name him.
10. Which Concordia Stinger was selected to play in the 1991 East-West Shrine Classic in Palo Alto, California?
11. Which two members of Sir George Williams football alumni are currently head coaches in the CIAU?
12. A former Concordia receiver and defensive back has a starring role in a popular NBC drama. Name the Stinger and the television program in which he is featured.

Send your answers to PA-104, 7141 Sherbrooke St. W., Montreal, Quebec, H4B 1R6. Mark "Stinger Football Trivia Contest" on the envelope. Prizes include a Stinger football game jersey, T-Shirts, and a miniature Stinger souvenir helmet. Winners will be announced during the championship game of the Concordia Nike Centennial Men's Basketball Tournament on Saturday, Oct. 25. Game time is 8 p.m.

The 1962-'63 Loyola Warriors Football Team

Overall OSLC Champions

This year marks the 35th anniversary of an extraordinary event in the university's long and storied football history. On a cold Saturday afternoon 35 years ago, a determined team of Loyola Warriors defeated the Carleton Ravens 39-24 to win the Ottawa-St. Lawrence Football Conference (OSLC) championship.

In the days leading up to the big showdown, the Ottawa press suggested that the smaller and less athletic Loyola Warriors need not show up for the game. As far as they were concerned, a Carleton victory was a foregone conclusion. By halftime, the Warriors were trailing 17-7, and the newspaper reports appeared to be accurate. The sole Loyola major came on a 70-yard pass-and-run play from Mike Kostin to George Poirier.

It was a catastrophic start, but the stage was set for one of the greatest comebacks in university football history. Two second-half touchdowns by fullback Peter Howlett and a second major by Poirier enabled Loyola to take command of the game. Touchdowns by Kostin and Peter Shea capped a 26-point fourth quarter. All the while, the stubborn Loyola defence held the mighty Ravens to one second half score.

On Oct. 18, 1997 at the annual Homecoming game, Concordia University will pay tribute to the character, determination and strength of the Warriors. A championship banner will be raised to commemorate the efforts and achievements of Loyola's Team of 1962.

Congratulations to all team members.

The Friends of Concordia Football

Stéphane Chapados, President, Friends of Concordia Football.

A message from the president

The 1997 season is here, and on behalf of all the Friends of Concordia Football (FCF) I would like to wish every player a successful and injury-free season. I'd also like to extend a special welcome to all the rookies and their families.

Head coach Pat Sheahan and I are working on a plan to increase the visibility of FCF and the level of alumni support. You can help by attending Homecoming activities on the Oct. 18th weekend when Stingers old and new will join forces to do battle with the Rouge et Or from Université Laval.

If you have any suggestions for Friends of Concordia Football activities, please do not hesitate to call me at 1 800 665-3383. I look forward to hearing from you.

Regards

La saison 1997 de football est arrivée. de la part des Amis du Football de Concordia (AFC), je désire souhaiter à tous nos joueurs une saison remplie de succès, sans blessure. Une chaleureuse bienvenue à toutes les recrues et leur famille.

Je travaille avec coach Pat Sheahan en vue d'augmenter la visibilité de l'AFC et le niveau de support des anciens. Joignez-vous à nous la fin de semaine du 18 octobre, lorsque Stingers de tout âges s'uniront afin de battre l'Université Laval.

Si vous avez des suggestions d'activités pour les Amis du Football de Concordia, SVP contactez-moi au 1 800 665-3383. à Bientôt.

Bien à vous,

Stéphane Chapados #36,
President, Friends of Concordia Football

Concordia Locker Room Project: Team Work at Its Best

The 1997 Stinger football team is privileged to be housed in a newly renovated football locker room within the Concordia athletic complex. The total price tag for the project is \$30,000, but the team will have a first-class home. What makes the room truly special is that all the money for the project has been donated by former players, coaches, parents, friends of football and corporate sponsors. You too can have your name added to this prestigious list of supporters by donating to the locker room project.

Thank you all from Stinger football.

.....GO STINGERS GO

Invest in the Stingers

Signage:

The key to selling is *location*.
Where is an audience most captive?
At one of our sporting events.

Football Stadium: Concordia Stadium averages 20,000 spectators during the football season. In addition to this, during the summer months it is home to the Concordia Summer Sports Camp (300 children - ages 5 to 13 - and their parents every week).

Hockey Arena: Concordia Arena averages 60 varsity games per year, as well as more than 100 intramural events, thousands of students during final exams and many other organized hockey and roller hockey events. Concordia Arena also hosts a minimum of three major hockey tournaments every year:

The Theresa Humes Women's Invitational
Loyola High School Tournament
MBA Tournament

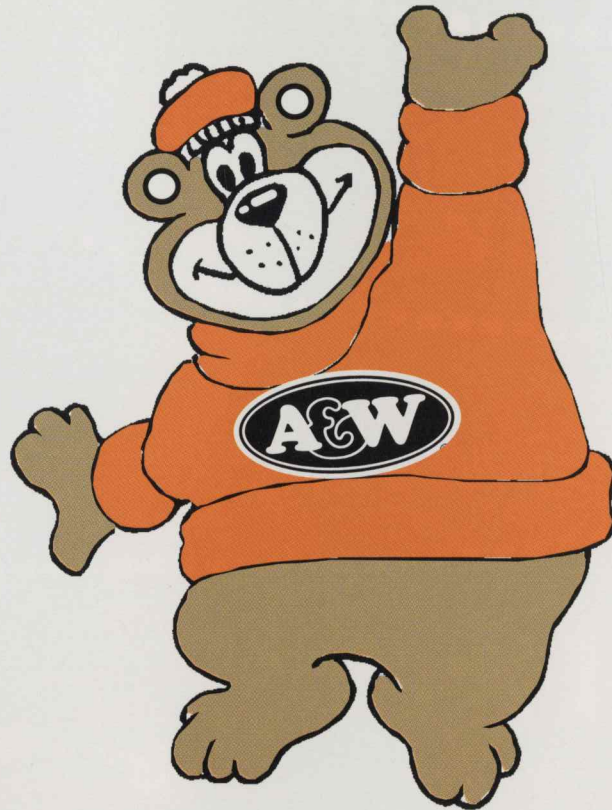

Gymnasium: The Concordia Gym hosts more than 70 basketball and volleyball games each year, as well as hundreds of intramural events, three major tournaments and final exams.

Football Stadium	\$1,000
Arena	\$1,000
Gymnasium	\$1,000
Olympia (ice cleaner)	\$1,000

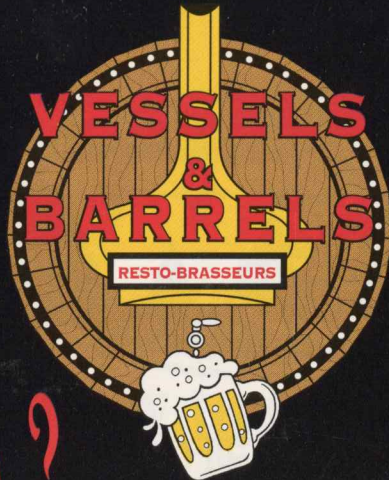

For more information on signage and other Stinger marketing opportunities such as advertising in the 1997 basketball, football and hockey programs, call Gerry McGrath at (514) 848-3868.

Place Montreal Trust, 1500 Ave. McGill College, Tel: (514) 499-8411

*Une petite
soirée ciné-resta ?*

Experience a unique evening of dining and cinema

Chaque semaine, le restaurant Vessels & Barrels Resto-Brasseurs fera tirer de sa boîte de carte-commentaires un laissez-passer pour deux personnes pour le cinéma Famous Players 8 de Pointe-Claire.

De plus, le cinéma Famous Players 8 distribuera des coupons rabais de 10 % pour votre prochaine visite au restaurant Vessels & Barrels Resto-Brasseurs du Complexe Pointe-Claire.

Each week, the restaurant Vessels & Barrels Resto-Brasseurs will draw from its box of comment cards. The winner will receive a movie pass, for two people, valid at Famous Players 8 in Pointe-Claire.

In addition, Famous Players 8 will distribute 10% discount coupons valid during your next visit at Vessels & Barrels Resto-Brasseurs' Complexe Pointe-Claire location.

**On vous en donne plus
pour votre argent!**
